

Yahweh's Israel Kingdom Basics

A Synopsis of Salient Scriptural Points Revealing Yahweh's Kingdom Through His Chosen Israel Race

100 Questions, Answers, and Insights.

Version 1.1 Alpha – Tabernacles 2007

The primary object of this presentation is for you White People to understand the present and future implications of the **RACIAL COVENANTS**, as recorded in the ancient **Hebrew texts** compiled into the book commonly known as the **Bible**. The Bible is not about “religion” or “church!” The Bible is about a specific Race of People put on this planet to be a Nation and establish a Kingdom (Kings Dominion). This is their special purpose and **Mission**. You will not understand world history, the present, the future, or the Bible in general until you understand the **Covenants of Race** that the Most High Creator God -- Yahweh is His Name -- made with the People He created and chose for this task. Of course, not everyone will want to hear this and some appear to be incapable of understanding this fact, but so it is written. Be that as it may, we only give a brief overview here, a starting point for your own research and understanding that, if you be one of His People or a person He has Called and you are willing to learn His Law and serve Him, you might “**Comprehend His Law/Word and walk in His Light to establish His Kingdom on earth!**”

The second object of this paper is for you to discern the **Identity** and **Separation** of **The People of Israel of the Caucasian race** from all other races and specifically those today called Jews. This includes understanding Anglo-Saxon Israel's corporate organization as the **Body of Christ** and the **Bride of Christ, two separate entities!** When these two entities begin to function as **One** according to the “**Due Order**” of **YHWH's Word**, you will have the Manifestation of the **Kingdom of Yahweh on Earth**. This has nothing to do with “church” or religious organizations. YHWH's Kingdom is the application of policy, that is, His policies. That makes it political, and politics is another stumbling stone for many so called “Believers.”

The third point of this lesson is to “**Know your Enemies.**” A long time ago there was a war in the Heavens between those that obeyed Yahweh the Creator's natural laws and some rebellious created creatures that decided to usurp His Law. The leader of this rebellion and his followers were at some point confined to this planet and immediate dimensions. They then proceeded to corrupt the earth, including Yahweh's own Adamic family bloodline / seedline, with the beguiling (more correctly, seduction-impregnation) of Eve approximately 7500 years ago. This is when Adam “fell,” not when he was created. We do not know at present how long Adam existed before the “fall,” nor do we

know how long the pre-Adam/Eve and non-adamic races were on this planet before Adam and Eve. We do know that the war that started in the heavens prior to Adam's fall continues on the earth today and all indications are that it will soon climax with age ending destruction of the present Anti-Messi(Y)ah world order along with a number of condemned national and racial entities of the seed line (DNA) of Satan. This war and the technology employed will somewhat restructure the face of the earth.

Summary of this Lesson: “Body of Christ” Very simply, in the books of the Old (Original) Covenants and New Covenants, the “Body of Christ” is only the “**Numbered men of Israel able to go forth to war.**” **Yahweh used the term “whole number” meaning they had been inspected by the Priest for “spot or blemish” and found clean.** (“Spot or blemish” means birth marks or birth defects.) In broad context, this national body of “called” Adamites is the “Army of Israel of Yahweh of Hosts.” When not functioning in a military capacity, it is simply the political “General Assembly of Israel.” (In the New Covenant the Greek term “The Ecclesia” is used, although the scope of this phrase can be narrow or broad depending on the context.) Once the Israelites asked for a “king” in the days of Samuel (like the other nations/races on the planet), there became 2 manners or modes of organizing the military and general assembly; the original one under YHWH and the Laws of Moses, bottom up, and the new, top down, as “appointed” by the Davidic king line which still exists today. This has resulted in many of the “civil wars” among Israelites, because when the Davidic Throne line doesn't follow the WORD, you will find Israelites with the WORD in the heart rebelling against sinful and tyrannical government. Thus was the birth of America and the Revolutionary War Cry of “No King but Jesus!” Originally America was a White (Israelite) Christian Republic that had a President who would “preside” until He comes. Today, as of this writing, America has a dictator, a tyrant usurping all constitutional granted powers under the guise of “fighting terror.” If you know the Word, then you know the God of Israel is also the God of Terror, so it should be clear who the US President and his minions are preparing to fight.... It is also interesting to know the Army of Israel is now being Called Out to prepare some of the judgment written. Hear ye!

The “**Bride of Christ**” is this: **the whole RACIAL nation of Israel:** men, women, and children in a corporate, national sense. This applies to all White Israelites of the Race world wide regardless of what country, state, or nation they inhabit or reside in. Under Yahweh's Laws, only the pure Israelite/Hebrew people of the White Adamic Race can be part of the “Bride of Yahshua.” In the Old (Original) covenants, the racial nation, Israel, was **Yahweh's wife**. It appears the other races and nations on the planet, who are obedient to YHWH's Law, may be invited to the coming wedding as guests, but they will not be part of the corporate Bride or Bridegroom. It is the Law of The Word. **Finis.**

The word “**church**” must be discarded. **It is not the correct translation of the word ecclesia, it does not even translate back into the Greek language of that era and thus it does not give you a correct understanding of what is being said.** It has been a source of misunderstanding since it first came into common usage 500 years ago.

The word Jesus used was “**Ekklesia.**” The only record of His use of the word is in

Matthew 16 and 18. This word has a totally different meaning than what is today called “a church” or “the Church.”

Briefly, the word “Ekklesia” (or ecclesia) as used in the New Covenant books refers only to the “Called Out Ones” of the House of Israel. These “Called Out Ones” are those called to “**Congregate, Assemble, Organize, and Establish**” Yahweh’s Kingdom on this planet according to “**His Due Order.**” The Ekklesia and the Race from which the Ekklesia is Called in the New Covenant books is none other than the Assemblies and Congregations of Israelites of the Old Covenant who are now “dispersed” throughout the world and over the earth. Since His “Kingdom Rule,” globally speaking, was not to literally manifest itself until after the 2520 years of Israel’s divorce, banishment, blindness, and deafness, our “understanding” of the physical organization and implementation of His Government has not been opened to us until now at the Expiration of Sentence. However, its starting point is very simple! 10, 50’s, 100’s, 1000’s.... Hear Ye with Ears to Hear and Eyes to See. This is not to say that other races will not be “in the Kingdom,” for YHWH’s King’s Domain will rule over all; and all races not of the Satanic DNA can obtain some of the blessings through faith! It will just be according to His “due order” of nation building....

By reading/answering the questions below you will better understand the Identity of the Key Players in History (His Story) and Who (not What) the “Church” really is.

General comments, Conventions and Definitions.

A number of Elders and researchers have contributed information herein which you will find cutting edge in translation and use of current English terminology and vernacular. We have drawn information from many of the “old Scriptures,” which are not included in the current 66 book King James Version (the original KJV was 80 books). This includes the Septuagint. Most Bible versions we have today are based on the Masoretic Text, not upon the Septuagint; so, whenever there is a controversial passage or a poor translation, it is always helpful to consult the Septuagint. In other words, the KJV has a built-in Jewish (Edomite) bias that the Septuagint does not. The Septuagint is a Greek translation from the Hebrew Old Testament. It was translated by Judahite (not Jewish) scribes of the House of Judah, and it was commissioned by Ptolemy Philadelphus, the Greek king of Egypt at that time, while Eleazer was High Priest of Judah, around 260 BC.

Some of the points made herein are controversial and may seem brand new and “far out.” However, we felt they should be included for this day and time. If time and further research validates them, and we feel events are near showing this the will be the case here, then they are really millennia old and our understanding is just opening and catching up with “**before time.**”

In reading this expose, do not be tempted to draw conclusions about individual points until you have read them all. This expose is written with built in redundancy of key points (line upon line, precept upon precept) so that one builds upon another. When you get to the Point 100, hopefully you will see the “Big Picture,” that is the “prophetic

vision” and organizational process by which the Kingdom of YHWH will come to pass in the days ahead. Of course, you will only see it if you are meant to see it....

Various English spellings are used herein and definitions supplied. Language is an ever evolving form of expression. In compliance and fulfillment of Zephaniah 3:9 we seek the pure language that we all may understand and serve Him in one accord.

Some footnotes, web links, and some text articles are included or attached. Credit due where required is placed. In future editions, citations and footnotes of all points will be added.

Definitions:

Below are the key words of understanding RACE showing different types of mankind and other intelligent “beings” that are listed in the Hebrew and Greek text showing the different characteristics and classes of man, humans [persons] or people, Adamite and/or otherwise, including angels, demons, devils, and giants. The definitions given here are not necessarily agreed upon by various authorities, but are to be used as given herein for understanding the points made in this article. Please note: You may type any of these terms in Wikipedia online and get a very broad perspective of how different researchers view and translate these words. **Only by understanding that the Bible has specific names or descriptions for different angels, races, and peoples will you be able to understand the Kingdom Message of the Bible.**

YHWH – The consonant form of the name of Yahweh.

Adawm – Strongs #120 – man who can blush, show blood in the face.

Ish – S# 376 - generic for a man and can refer to Adamite or non-adamite. [generally high degree, champion, steward (ship), husbandman]

Enosh - Strongs [# 582 blood thirsty diverse, persons (any species)]. This is the primary word, and it can sometimes include wicked Adamites.

Ger - S# 1616 - guest which some say refer to others of the Hebrew genealogy; sometimes translated as “stranger” but not to mean “alien.”

Mamzer - S# 4464 - to alienate; a mongrel, bastard. A mixed race person, Israelite or otherwise.

Nokriy, Nekar: S# 5236, 5237 -[generally “not of my race”] foreign, strange, non-relative, adulterous, outlandish (man from out or other lands, a different nation, race).

Zuwr S# 214 - this term is used in a derogative (adultery or adulterated) way in general when referring to a man or woman; Not of your race.

Ereb - S# 6154 - a mixed race, mongrel.

Nephesh [#5315: deadly, greedy, dis-contented, a "thing", person (animal sentient/no rational spirit/breath). Bipedes with no morals, culture, or redeemable attributes.

Baal #1167-: a "man", master, babbler, chief man, dreamer, furious sworn persons.

Toshab #8453: from 3427; a dweller (but not outlandish-5237); espec. (as distinguished from a native citizen and a temporary inmate {1616} or a mere lodger{3885}) resident alien: foreigner, inhabitant, sojourner, stranger. Generally used to refer to Hebrews or Israelites that may have migrated out of the OC King's dominion.

Goy – #1471: this Hebrew word is a generic for groups of people and/or nations. It is sometimes used to refer to Israelites (Joel 3:9) and other times to other racial nations (Isa 42:1; 62:2). It is often translated as “Gentiles,” and you have to look at the subject matter and context of its usage to determine whether it is referring to Israelites or other races/nations. Here are a number of English words used to translate “goy.” Some are: nations, peoples, heathen, pagans, gentile.

Ethnos-Greek word #1484 used in the New Testament: a race, a tribe, non-Jewish, by implication a pagan. Usually translated as Gentile(s). This is the root of the English word “ethnic” as in ethnic group. The “ethnics” that Paul and the disciples were sent to were the race (ethnos) of the lost sheep of Israel and ultimately any of the descendents of Eber, the father of the Hebrew race. This is why we have a New Covenant book called “Hebrews.” {Note from Pastor Eli: Although Strong's Concordance lists “non-Jewish” as one of the definitions of *ethnos*, that is a deliberately false meaning, invented by the rabbis of Judaism. When the Masoretes began to edit the Old Testament, thus producing the Masoretic Text, they gave old words new meanings which the original authors of the Bible never intended. The reason why the Masoretes did this was to falsely substitute Jews for Israelites in Scripture. Since the KJV is translated from the Masoretic Text, all Jewish interpolations of meaning have been retained by Strong and other Judeo-Christian translators and commentators. Wittingly or unwittingly, Biblical scholarship has been infected by these false definitions of Hebrew and Greek words. Knowing this, I can state, categorically, that the Greek word *ethnos* NEVER meant “non-Jewish” to any of the authors of the New Testament. Nor did the Hebrew word *goy* ever mean “non-Jewish” to any of the Hebrew scribes or prophets. As Samuel Marion points out, the true definition of these words is “race” or “nation.” The rabbis of Judaism, by constantly repeating their own false definitions, have gotten Christian scholarship to play along with their deceptive word games; and these scholars have no idea that these definitions are pure invention by the Jews, since they all falsely equate the Jews with Israel of the Bible. In this manner, the rabbinate has been able to deceive the whole world (Rev. 12:9). By pretending to be Israel, the Jews have usurped the authority of Scripture. But, anyone who has studied

Judaism knows that Judaism is the furthest thing from the Mosaic Law. In fact, Judaism spites the Law of Moses by violating Deut. 4:2, which states that no priest shall add to or subtract from the Law as he recorded it. Since Judaism is based on Talmudic revisions of the Bible, it convicts itself of violating the Law of Moses.}

Israelitish – This word is used in several places in the OC to refer to individuals who are Israelite or are part Israelite, that is mixed with another national group Hebrew or otherwise. If men, it is not always clear whether they were considered as “Counted or Numbered” in the Israel census.

Mixed multitude - (Ex. 12:38) another term used to describe racially mixed Israelites and non-Israelites who accompanied the Israelites as they journeyed from Ramses to Succoth, the first stage of the Exodus. These were probably non-Hebrew servants and other disaffected people who wanted to leave Egypt, and the Exodus gave a good organized opportunity to do so in the middle of a national (evidently global) disaster. The same thing happened on the return of the House of Judah, Levi, and Benjamin from Babylon (Neh. 13:3), a "mixed multitude" accompanied them so far until the Israelites got around to reading the Law of YHWH and then separated from them.

Beast(s) of the field – In both the OC and NC this phrase can refer to four legged dumb beast of burden or the “beast with hands and feet that can put on sack cloth, repent, kill with weapons, eat flesh, be noisome, mate and communicate with Adam or human kind.” This phrase generally refers to the various Negro races. Look at the context. (Note: William Blessing said there are around 62 different species of the black race in Africa, from the 4 foot pigmies to seven foot Watusis.)

Cainites: Also spelled Canaanites, Cainanites. Generally refers to the mixed descendants of Cain and any of the family, tribal branches arising therefrom.

Nephilim – offspring of the “fallen angels” and the daughters of the Adamic race (and possibly other races). For those who have a hard time accepting the fact that Satan seduced Eve, here we have record of those angels (elohim), who were thrown down with Satan, mongrelizing with the human race. Every ancient race and culture has its legends of “giants on the earth” and state that when food ran low, these hybrids would eat people! Jack and the Beanstalk is an English tale of cannibalistic giants! YHWH’s objective in flooding the earth in Noah’s day was to destroy these giants and other corrupt seed lines. However, there is ample evidence and Biblical record that a remnant of giants and satanic seedline survived the flood and their DNA is still walking, talking, and killing Adam kind today. Thus many our current problems! {Goliath, the giant, was of the seed line of Gath, a race of giants. N The archeological evidernce of humanoid giants abounds, but, since the universities and museums are controlled by evolutionists who hate the Bible, this evidence is kept in the basements of their museums and the subject is never discussed by their dogmatic academics. – Eli}

Devils, Demons & Evil Spirits – in short, fallen angels; those of the orders of elohim that rebelled against YHWH and were thrown out of the higher dimensions down to earth and its immediate etheric or astral planes. In the common vernacular of today some of them inhabit the “spiritual plane” around us and are able to impinge on our minds

mentally and our bodies physically. Hence “demon possession.” However, they are also incarnated in physical bodies through the descendants of Satan and other fallen angels referred to in Genesis Chapter 6. Jesus cast demon spirits out of people on one hand and called the Edomite Jews physical offspring or “children of the Devil” on the other. He meant it literally! A correct reading of the Bible shows we are dealing with at least **two physical seed lines** here, starting with Genesis 3:15. So, we have a two front war also, spiritual (mental) and physical. If they control your mind, they control your body!

Angels – The good kind: Celestial beings that serve Yahweh, aid Yahweh’s people Israel, and war with Satan and his host both in the spiritual and physical realms around us. The record and evidence tells us they can travel between the physical and heavenly realms, have very high technology on the material level of things, and will be instrumental in the days ahead as Israel “wakes up” and begins to establish Yahweh’s Kingdom (due order) on this planet. It appears they will come to our aid in the so-called battle of Armageddon. It is recorded in Revelation, when John fell to worship the angel speaking to him, the angel said “do it not, for I am of the brethren!” The word “brethren” here means “racial brother or brothers of the womb.” Selah.

People and persons: [There is a very distinct difference between “people” and “persons” in the Hebrew language of the scripture. Yahweh refers to Israel as “His People” only. He is no respecter of “persons” but He does have respect to (as to watch over, shepherd) “His People.” The early American organic Law was made very clear in these “united states of America” concerning the difference between “P/people” and “persons” (though this is no longer taught in public schools). The “persons” are “subject to” and have no rights, only privileges; “We the People” are the original “Sovereign Body Politic” invested with the in/unalienable (aliens are unable to...) rights. The “person(s)” (for example, as in 14th Amendment federal citizens – “subject body politic”) only have privileges and immunities. Through licensing (biblical lasciviousness) these “persons” are PRIVILEGED to break the (divine) law with IMMUNITY from prosecution by enosh and nephesh type persons who have crept in authority positions.]

Plant and Animal Symbolism: Wheat and Tares, Sheep and Goats, Wolves, Snakes, Serpents, Good Fish and Bad Fish, and the separation thereof. The Scribes and Prophets of YHWH use plant and animal representations of the various races and Seedline (DNA) groupings and their characteristics throughout the historical record. This is not taught today and results in confusion of understanding and miscegenation. If you have listened to any Christian preacher, you have probably heard him use these plant and animal terms. Where they err is in trying to “Spiritualize” (nullify the actual or allegorical meanings of the terms) the lesson or moral of the story so that the Truth is lost. You are told a “Tare” can become a “spiritual grain of Wheat” or that a “Wolf” can become a Sheep by just “accepting and believing in Jesus.” This is a lie, and the mark of the unlearned or a wolf in sheep’s clothing. The Word says a leopard can’t change its spots! The modern “church” today is Babylon, full of wolves, tares, and serpents, which ignorant “preachers” are calling “Spiritual Israel,” because these creatures supposedly “accept Jesus.” Jesus specifically stated to whom He was sent, and why He spoke in parables to the “mixed multitude.” When He returns again, He is going to separate the present race-

mixed mess out and the only thing spiritual about it will be the Joy His faithful sheep have in being saved from the destruction at His Hand. For further understanding, read on.

Israel Kingdom Identity Basics

1. Who is the Lord God of the Holy Bible? Yahweh Elohim, The Most High Mighty One, the Creator of All Things. Yahweh = YHWH, short form abbreviation. Elohim as the last part of His Name denotes He is the Origin(al or el) of the “Creators.” [Elohim is usually a plural designation including females (that is sometimes Elohim is used in the feminine gender): verifiable with lexicons. When used with Lord (3068) it becomes singular, and most often signifies: Mighty Judge or Mighty One. The name Yahweh El Elyon is used to refer to Him in His Executive Position as Supreme Commander of the Host of the Heavens. You cannot see these meanings in the English Bible translations where the word “Lord” and “God” is used. Hebrew is an idiomatic language, and one Hebrew word may have from three to ten different meanings depending on the context. Sometimes it has opposing meanings. In the Scriptures whole thoughts must be translated, not just words.] Some scholars spelled Yahweh as Yahveh. Jehovah is incorrect.

2. Who did YHWH say He was? The “I AM THAT I AM, I WILL BE WHAT I WILL BE; I WILL BECOME WHAT I WILL BECOME.” This is the meaning of the name given to Moses when he asked Yahweh what His Name was/is/is to be. The word “Yahweh” is composed of parts of the verb “to be” and signifies “Self-Existent.”

3. What is the name of His Kingdom? The Kingdom of YAHWEH, The Kingdom of Heaven, The Stone Kingdom, America. America is to become the seat of His Kingdom on this planet. The word America is taken from the Gothic words Amel Rica which means “Heavenly Kingdom.” [The term "American" is also compound Hebrew word: (1) am; the attendant folks/men of Israel. (2) eriy; vigilant and watchful. (3) khan; executing the office of priesthood.]

4. Who created the races in Genesis Chapter One? The Elohi[y]m (Genesis One uses both male and female designators and it is in a plural context), but translated as God (singular) in English. These “Elohim” (male and female) apparently created various races including the first white race. These were the males and females of Genesis Chapter one.. The Hebrew says they were “adawm” which term only applies to the white race. (Let “Us” make man; Strongs #120 – adawm). It is assumed the Elohim here are ones loyal to YHWH who are replenishing the earth after some great calamity, either natural or otherwise. Research into the “us” indicates there was more than a “Trinity” involved here.

5. Who “formed” Adam of the Earth? Yahweh Elohi[y]m, Genesis Chapter 2 as opposed to those created in Genesis 1 by the Elohi[y]m company. [It is now being understood that there were at least two distinct "creative processes" of “Adam kind”; one

without the "breath" (Genesis One), and the latter **with** the "breath" (revitalized spirit and intellect) and formed of the "dust of the earth" (Genesis 2 Adam); confirmed by a correct translation of 1st Corinthians 15:45-47. The "Adam" of Genesis 2 is the one that "fell" about 7,500 years ago assuming our current calculations of time are correct. Adam and Eve lost their shekinah glory or "light clothing" and multidimensional movement capabilities. Archeology is revealing that the Genesis One Adam may have been nearly or totally wiped out by global disasters and the other races on the planet prior to YHWH forming and creating Genesis Two Adam and Eve. There are historical legends of white races in various parts of the world being exterminated 8-9,000 years ago. Their bones are being dug up today, Kennewick man in Washington state and the Spirit Lake white corpse remains are examples of the white race being in America approximately 9000 years ago which was before the Asiatic Indians. There is ample archeological evidence showing the "human race" and other intelligent beings have been on the planet 25,000 years or more. There are records and proofs of ancient global civilizations that were destroyed by global cataclysms, Atlantis being a legend most have heard of. Does this fit into Bible history? Yes, it would fall within Genesis Chapter 1-6. It is our understanding and knowledge of ancient history and time calculations that is deficient, not history itself.]

6. Who was Adams Father? Yahweh Elohim, Luke 3:38. Yahweh, the Mighty One "formed" Adam (#120) and created a (#376, iysh: like in Iysh-ra-el) "champion, high degree, husbandman kind PEOPLE." This is made absolutely clear from the scriptures in a thorough translation.

7. When Adam looked around the Garden for a helpmeet and couldn't find one, what did YHWH do? YHWH apparently took the "opening or chamber," from a protected place under the ribs out of Adam and created "womb-man," today known as woman. Strong's says that it was a rib protecting an opening and since all white people have the same number of ribs, and the womb is a "protected place" above all else, common sense and logic dictates what YHWH "separated" or "took" out from Adam to create his "helpmeet" of his own flesh. The "womb" of a white Israelite woman is what Satan seeks to violate and pollute with his own corrupt seed (DNA) above all else, for then he can destroy the children of Israel off the planet. **No pure-blooded Israelites on earth mean no Bride, no Bridegroom Body, and thus no King's Dominion of Yahweh on this planet!**

8. What is Adam and Eve's last name? Elohi[y]m, from the name-title of Yahweh Elohim. Luke 3:38. Jesus also said we are Elohim when He quoted Psalm 82:6 in John 10:34. (Also see #4) Forensically speaking the term "God" in Hebrew is not the same as in the Greek. This is where some of our doctrine and understanding has been skewed somewhat causing us to miss the mark. The blush rosy species, both low and high degree were simply designated as "adamkind"; the surnames of this species would come much later as the tribes and clans proliferated. Various Hebrew terms thoroughly describe the character attributes to be found within certain species. The Scriptures (OC and NC) are very specific that Yahweh is watching and protecting a particular "Seedline" of "people" for a very specific purpose, "the Sons of Israel!" He will see to it a "Remnant" is always

preserved.

9. Who is spoken of in Genesis 5:1-3? This is the genealogical beginning of high degree adamkind! This is the rare occasion that #430 elohiym is singular (Mighty One) or plural: i.e. the mighty ones (of the Most High), aka host of heaven. Notice that this branch of genetics omits Cain (Kane, Ken, Khan, gon) and Able (transitory and unsatisfactory), and begins with Seth. Israel (iysh-ra-el) is from the line of Seth and none other. Low degree adamkind was well in existence before the high degree (supra)-species was brought into “being.” If any low degree adamkind survived the global disaster that destroyed Atlantis and the subsequent “territory wars” and mixed with some of Adam and Eve’s progeny, this may be where the so-called “white trash” (sons of Belial?) comes from. Israel means: high degree champions ruling with the Mighty One or ruling as mighty ones (themselves). [This is why if you’re an Israelite, you need to be careful in selecting your wife.] It is also clear that “high degree” adamites / Israelites can degenerate into low degree fairly rapidly by failing to follow YHWH’s national racial laws. Just look around you today.... Can “low-degree” be re-generated by believing and walking in the “Faith?”

10. How do you become an Adamite? By birth only. Others of the Hebrew race that were not mixed with Canaanite/Oriental blood could marry into the Israelites and be grafted into the Nation of Israel. Scriptures that appear to say the “forbidden and cursed races” could marry into Israel are deliberate mis-translations by the Masoretes to corrupt the WORD and the Israelite bloodline. The Scriptures are all about “Race,” specifically the Israelite Race and YHWH’s plan to use them to create a Holy (set apart) Seedline Race to rule this planet! Malachi and Revelations make it very clear for even the simple and/or dumb.

11. What does the word “Adam” mean in the Hebrew: Ruddy, to show blood in the face, “Man who can blush.” Strongs #120. The white race is the only race with the ability to blush. [Thorough translation reveals that there are some #376 #120 men; the #376 used as an adjective to modify the noun (PERSON, place or THING) #120; sometimes #120 is used adverbially to modify the actions of a certain man. The Hebrew language is very dynamic. Notwithstanding the scripture will provide a second witness.]

12. Who is NOT listed in the genealogy of [the second species of] the Adam of Genesis 5:1-3? Cain and [Abel].

13. Does YHWH have enemies? Yes. A third part of the angelic creation revolted against Yahweh’s “Due Order” (cosmos, which is the “orderly arrangement” of things) and this rebellion is led by a certain angel who is called by various descriptive names or titles over history. Some of these names are Satan, the Devil, the adversary, Lucifer, the evil one, Abbaddon. He was cast down to Earth as a result of losing the war in the Heavens. These “fallen ones” wage constant war against YHWH’s People [not persons] her[e] (racially pure Israel) on earth with the objective of genocidal annihilation and/or mongrelization of the white Adamic race(s). If the “bride to be” (Israel organized nationally) is polluted the Groom will not marry her; hence the satans, devils, and persons

in opposition to racial national purity think they can win by default. (However, YHWH has stated He will not allow this to happen and has already derailed the satanic seedline who are feverishly trying to take the planet and everybody (specifically the true Israelites) down with them.

["Satan" is defined as "an accuser of the brethren," or one of the brethren (of a class of Elohim) that accuses (another). That's what prosecutors do. A "devil" is defined as an opponent of Yah's law. When folks act devilishly they are simply in opposition to Yah's law. The 1/3 of the host that rebelled both slandered and accused their fellow (2/3 faithful to Yahweh) servants as well as were in opposition (rebellion) to Yah's will; hence they were satans and devils. (Maybe as otherwise brilliant scientist and engineers of today as back then... Example: "gene splicing" and GMO technology (adverse GMO's), Depleted Uranium weapons, and promotion of mongrelization/miscegenation that corrupts YHWH's creation!)

14. Where is Satan, aka the devil? On earth raising Cain(s) and warring against all YHWH's Righteous children. Every book in the Scriptures records war actions or prophecies about this conflict that continues until Yahshua's return/physical reappearance as the Head of His (corporate) Body. [The very religion and philosophy of Greece was to return to the way of Cain (The Parthenon Code, ISBN #978 097 054 3837 \$29.95). Greece got its idea's from Babylon. Greece passed its culture onto the Roman Empire, and Rome passed its culture on to these "united states." The architecture and Roman civil law all bears witness to this. We are living in mystery (anti-Messiah) Babylon: that which was, and is not, and yet is! The "counterfeit." It is all "fiction of law" and "color of law" but not so, yet was, and is, until we Wake Up and place His Kingdom. It's so simple, it's profound!]

15. What are Satan and the fallen angels currently doing on this planet? A fallen angel (satan) sexually seduced and impregnated Eve and this cross-breeding continues today to with other daughters (Eve's) of the Yahweh formed Genesis 2 Adamic race seedline. (The fallen angels were also cross-breeding with the other races already here created by the Elohim, Genesis Chapter 6. The implication of ancient records is these fallen angels (elohim) were materializing themselves (coming down) and breeding with their own creations. The books of Enoch (which missed being included in our current KJV Bible by one vote) states there was prolific cross-breeding between the fallen angels and adamite women (Both Genesis Chapter 1 and 2 Adamites.) They are still here doing what they have always done; working to destroy the Adamic race and specifically the House of Israel by wars and promoting mongrelization of the white race! "Destroy the Israel Seed Line" is the satan's motto.

On a separate note, there are ancient writings stating some of the black race species was brought here from a different star system by Satan when he was driven out of the visible material (physical-material) universe and restrained to this planet. The Book of Enoch and other so called "non-canonical books also describes what can only be presumed to be not only galactic space travel but multi-dimensional travel in what Hollywood movie moguls now call "the Matrix."

16. Who fathered Cain? One of the “satans,” that is, one of the fallen angels. [Opponents to Yah's law; slanderers and accusers. What Eve actually stated to YHWH was the serpent had “seduced” her and she was now carrying its seed.... There are various accounts of what Adam’s “sin” was in relation to Eve. Adam obviously planted his seed in her womb, possibly right after the “satan” had “gotten to” Eve in hopes that his (Adam’s) seed would destroy the serpent seed. It is known that when 2 different seeds (zera-sperma) are in a woman’s womb at the same time they “war” against each other (killing) for the right to fertilize the “egg.” However, sometime twin are born, one from each seed. (There is a case in Germany where a white girl gave birth to triplets, one black, one oriental, and one white, all the result of a one night orgy.) Satan is of the fallen angels, called “watchers” in the Book of Enoch; brilliant entities (men and women?) who had space travel and apparently limited multi-dimensional capabilities.] The book of Enoch says that the blood of Abel will not be atoned for until all the descendants of Cain are slain on the earth. Enoch 22:7 Yahweh says He will see to it... Obadiah.

17. What did this “race mixing” result in? Giants, degenerates, legendary figures the Greeks called “Heroes and Titans.” [“Bullies and tyrants” as the offspring (sons) of the elohiym "creators" took wives from among the genetically created females (daughters of genetically created mankind, and in turn initiated their sons (grandsons of the elohiym) into the mysteries (ancient mystery schools?) of life that would guarantee them success and keep them head and shoulders, so to speak, above their contemporary neighbors; they "lorded" (baal) it over their neighbors); mutants, monsters, [cannibaals: cain-ables, (priest of baal, flesh eaters)] and scrambled DNA degenerates in general among a wide segment of enosh and nephlim. (Cannibalism was apparently very prevalent in pre-flood times among the fallen angel seed lines. Secular myths and legends pass down this history of giants and ogres eating human flesh. Cannibalism was very prevalent among various cultures and Indian tribes in the Americas until the 1800’s when the white race generally and finally exterminated the last of these tribes. Very few history books today discuss this savage aspect of many of the Indian cultures in the America’s). Genesis 6:2 records, "The sons of God saw the daughters of men (Adam & Eve) that they were fair (blonde, white, and beautiful so to speak); and they took them wives of all they chose." You don't get the full significance of "the sons of God" in most translation, (beni-ha-elohim, also means “sons of magistrates or mighty men of the earth **and angels**”). In other words, the **offspring (DNA)** of evil alien angels (demons) who are the fallen angels (non-terrestrial beings) are here among us now incarnated! They speak openly in “code or cipher talk” using our words/language but with different meanings attached to the words. They speak in lies and double-talk and the sheep are too confused and “doped up” (Pharmacia) to sort it all out. “They” use a psychological warfare technique called “double think” in news media daily and it shut down your ability to think logically and discern and reason. Then there is fluoridated water, known to lobotomize you! Even if you see enough to get motivated politically to help “fix” things, you are “steered” into a (no balls) political party and you become a “dumb-ass” (Democrat) or slow elephant (Republican). Hello!!

18. Who are the “serpent” and “wolf” people? The offspring of the Cain (*Heb. gotten*

from another source) and other offspring of the fallen angels of the rebellion, followers of the chief Satan. These include the people we call Jews today and possibly some of the Oriental and Indian racial streams. Some scholars claim that the "serpent race" is the Chinese (Cainite/Khanite) and that the so-called "Jew" (Canaanite merchant trafficker) is a disposable tool of the oldest race on the face of the earth. The Chinese build dynasties; the "Jews" build ghettos. The Oriental and Asiatic has been cannibalizing off Adam kind from day one (drugs, mind control, torture, miscegenation, war!) They are the kings of the east with the national symbol of the dragon. Gog and Magog. We will be contending with them, along with Edomites, Kenites, and Khazars in the near future. (Ezk. 38-39]

Noted Racial differences: It is said that the white blood corpuscles of Jews and other Satanic seed lines are not shaped liked an Adamite. Many do not have a "floating rib," their fingerprints are formed differently from Adam's, their mind power is diametrically opposed to Adam's and they do not have the corona of light around the brain nerve fibers as in Adam.

This term can also be applied to anyone who adopts their predatorial nature and tactics. Another word for Cain is Khan, like in Genghis, Kublai, and Tatar (Read Sargon {a prince of Cain} the Magnificent). The lineage of Cain is Oriental/Asiatic. Their ancient heraldry and national symbol is a red dragon. The Chinese, Japanese, Koreans, etc. are apparently of the same genetic stock. They were created in a phantom shade of their creators (who, it turns out were possibly "white," at least when they initially rebelled in "heaven"); they (the Khanite) are apparently the first of the "fallen watchers" creation. They are the oldest, most numerous race on the planet.

Much of the genetic manipulation by the fallen Elohim took place pre-flood in Genesis but could be said to continue today by inter-racial breeding and secret genetic research labs in various parts of the world. Among other things, this genetic mixing results in "confusion" and "confusion of face." It should be clear to any "real" Christian today that the wolves and serpents are running the world at the moment. Lev 18:23; Ezra 9:7. Jesus said every plant not planted by The Father would be rooted out. Matt. 15:13; Ps. 52:5; Pr. 2.22.

It is not stated how the "Elohim" (both good and evil Elohim) created the various races, but genetic science advances today shows they knew how to create DNA codes that built "persons, races and species." As electronic engineers today know how to build "integrated circuits of electronics" the Elohim knew/know the "integrated circuits of life" and created "self aware" animate life forms. None of the aforementioned "life creations" had the "breath" (spirit of vital rational principles of Yahweh's WORD for reasonable expression of Logic) infused into their beings. They were programmed with "**instinct**" and "**law of the jungle.**" The Word states, "The life of the flesh is in the blood." Lev.17:11; Deut 12:23. Through the ages, the satanic seed line eats and drinks the blood of the Adamites, and specifically the Israelites, in various rites and rituals. This includes cannibalism and the Jewish rite where they eat cookies containing the blood of kidnapped and sacrificed Christian children at the Feast of Purim. (Research the history of Jewish Ritual Murder.) The other way the satanic seed line steals "life" is by breeding

with the adamite race to “re-charge” their blood lines with the life force of Adam. (This is the real meaning and “moral of the story” of various Dracula legends.) Seedline is Bloodline, and YHWH’s bloodline is Israel only!

19. How do demons in the spirit or astral planes gain access to the terrestrial plane we occupy? We do not know all the ways this can be accomplished; however, it is known demons can take mental “possession” of people (and thus control their bodies) that knowingly or unknowingly allow it. Disembodied evil spirits are apparently able to access human beings any number of ways, such as drugs, music, and any weakness that a person gives into creating a conduit or a “channel” the demon is apparently able to use to gain access to the persons mental process and thus physical control. They also induce diseases and afflictions both mental and physical. If you are walking in the Word and are assaulted by licentious thoughts, chances are demonic entities are assaulting your mind through mechanisms we have yet to understand. Repentance and The Blood and knowledge of Yahweh’s Son and putting on the whole armor can bring deliverance from these thoughts and entities.

20. What two seeds (DNA, zera, sperma) did YHWH put “enmity” between? His (Adam Elohim son of YHWH) and the serpent race offspring generated by the satans/fallen angels. (Gen 3:15.) We are talking physical offspring here. (Second Question: what “seed” does/did a woman carry? Anybody know this riddle? Does not a woman have to have a “seed” planted in her to conceive?) This is the beginning of understanding the “seed lines.” These words used to specifically mean physical offspring from both parties. The ignorant and the false brethren try to “spiritualize” this verse thereby providing “cover” for the enemy.

21. Who is the God of Israel? Yahweh Elohim [The eternal and unchanging (Yah = I AM) Mighty Judge/One; the Most High.]

22. How do you become an Israelite? By birth only. [This is the “Birthright” aspect with the Covenants and the laws thereof. YHWH has not given away or expanded the scope of the Birthright to include other people, persons, or races, nor is He “adopting” them into the covenants as some try to say. Read the Covenants and then Revelations!] Yahshua came to fulfill and establish the Covenants. (Mt 5:17, 18.) However, many of the Covenant blessings given to Israel will spill over to the other races and nations that place themselves under the Kings Dominion. Thus, they can also receive the “promises and blessings by faith” and action (submission).

23. How do you become a Jew? Racially, what is considered “full blooded,” by birth if your mother is Jewish. Those calling themselves “Jews” today are matriarchal in contrast to true Israelites, who are patriarchal. If by religion, they deny Jesus is the Messiah and follow the “Tradition of Elders” in the Talmud, join a synagogue, teach that Jesus was a Jew, etc...

24. What is a Jew? This one word “Jew” has most of Christendom totally befuddled. On the other hand, the aliens called Jews today have the world mostly destroyed. As I will

show you, today's Jew's are not of the "Called Seed of Abraham, Isaac, and Jacob."

This is a word that has to be "rightly divided" and traced back to its origins for a comprehensible understanding. Then you will become "racially aware" and know who is Israel, who is a gentile in the original sense of the word, who is Judah, and who are the children of the devil.

Most important, Jesus was not and is not a "Jew" in any sense of how the Word is used today! Nor was He in any way of the seed or blood of the mamzer's calling themselves "Jews" today, Edomite or Kahzar.

The first use of the word Jew or Jews is the plural "Jews" first used in II Kings 16:6. Here they are in a war with the House of Israel. So much for Israel being Jews....

The first use of the word Jew in a singular sense is in the book of Esther, which most scholars who do their homework discount as a "spurious" book inserted by Jerome. The truth is, the events of Esther never happened. It is "Jewish BS." However, the research of Pastor Arnold Murray of Sheppard's Chapel in Gravette, Arkansas and others reveals that YHWH has His signature five (5) times in this book revealing that He allowed it in there but inserted His Message in this "Jewish Fable!" It is a stunning Message. Get the tapes.

Let's break the word "Jew" down into the 4 basic meanings it has in the Bible and as applied to the world we live in today. These are: Race, Religion, Tribe, and Nationality.

Race: Race implies a specific seed (DNA) line, identifiable by certain characteristics, such as color of skin, type of blood, general intellectual capacity and so on. [The people today that call themselves "Jews" carry only one of these factors, that is they have certain markers in their blood signifying Asiatic or Oriental origin. Beyond that, you have persons claiming to be Jews of every color and racial origin. There are no pure blooded Jews as it is not possible. Cain, the "first Jew" was a mix-blood from the beginning (mamzer) and his descendants have been mongrelizing ever since. However, the Jews like to call themselves a race when it is advantageous to them and Jesus called them a generation (racial connotation) snakes and vipers, liars and murderers, so....]

Religion: Jews by religion claim to follow the Talmud, which contains a number of books from the Old Covenant. The Talmud is not the Bible, but is the "book of Cain" so to speak. There are a number of different Jewish sects or denominations, all comprised of the bloodline mentioned in Race above. These Jews will tell you that you can adopt Judaism as a religion, but they really know it is really a matter of blood and who your mother is. You will find Jews by religion of every race and color, including brain dead Israelites who adopt Judaism for various reasons. You cannot be a "Jewish-Christian" anymore than you can be a "wolf-sheep." The Bible is not about religion; it is about RACE! During the century preceding the advent of Jesus, Edomite Judean's (a tribal group of Edomites living in the area then called Judea) infiltrated the pure blood Israelite government and priesthood that Ezra and Nehemiah had set up. They were able to do this because one of the Israelite leaders forcibly "converted" them to the Israelite "religion"

that evolved after the return from Babylon. They misapplied the Law and the result was the Edomites were able to hold political office. They were the “party in power” at the time of Jesus. King Herod was an Edomite Jew and he killed all the children of Bethlehem to try and destroy the real King of Israel. He was doing the works of his father, Satan!

Tribe: Out of the 13 tribes of Israel, Judah is the only tribe that the current word “Jew” could possibly be ascribed to. This is only done by “preachers” who don’t know the Word, fools, or Jews posing as Christian ministers seeking to confuse the issue. There is only a few Scriptures that imply the word Jew(s) mean the Tribe of Judah. A clear example is in Rev 2:9 and 3:9. Here it is referring to those who are saying they are of the tribe of Judah (the Jews of today) but they are really of the synagogue of Satan (house or family of Satan). Judah had a Cainite wife and a Hebrew wife. His son by the Cainite wife has no inheritance in Israel. His sons, Pharez and Zerah, through Tamar, do. The descendants of the pure blood tribe of Judah today are the Germanic and Scottish people (from Pharez and Zerah). Again, you have to know who is who in the “Holy Bible” and “rightly divide” the Scriptures; else you will perish in the days ahead...

Nationality: A “Nation” usually implies a racially coherent group of people. However, in the Babylonian system of confusion of the last 2500 years, the word has come to mean anyone who lives in a given geographical area defined by political boundaries to one degree or another. Examples are the word “American” and “Israeli.” The word American originally applied to only the white Christian people who settle the North American continent. Today, it is used to mean anyone who has United States citizenship. The word “Israeli” applies to those who are Jews and inhabit the Israeli state in the Mideast. The Israeli government grants any Jew citizenship and allows a Jew to hold dual or multiple citizenship(s). A Christian or non-Jew cannot become a citizen of the Israeli state (not to be confused with the Race of White Anglo-Saxon Israel). Most nations or political entities only allow you to have one place of citizenship.

In the time of Jesus, the area and political entity called Judea was inhabited by several races and tribal groups; Israelites, Edomites, Samaritans brought in by the Babylonians, Cainites (devils according to the Word) that were never driven out or killed off and probably other races from different parts of the world. If the political state of Judea was your residency, you were called a Judean regardless of your race or tribe just as in America today anybody can be called an “American.” Most of the disciples were from Galilee, which was above Samaria. Jesus was a “Galilean” which is one of the reasons He paid the foreigners tax when he started preaching in Judea (coin from the fish’s mouth). Many of the Israelites that were of the “returnees” from Babylon had moved to Galilee to get away from the “Jews” that had taken over “Moses seat and the Temple” in Judea. Jesus spent most of His ministry in Galilee only going to Judea for the Feast. To do so, he had to pass through Samaria. The Samaritan woman at the well that Jesus talked to showed she was an Israelite by RACE because she identified her ancestor as Jacob and was waiting for the Messiah.

In John 8:33 you have a group of Judeans (Jews) trying to claim the heritage of Israel by

saying they were of the seed of Abraham. Jesus acknowledged they while they may have had some of Abrahams blood, they were still “children of the devil.” They claimed to have never been in bondage to “any man” (Adamite). This identified them as of the blood of Esau or of the son’s of Shelah (Judah’s son by Bathshua the Cainite) or descendants of other Israelites that mated with Cainites. They clearly weren’t Israelites as the children of Israel had been in bondage in Egypt, Babylon, and Assyria to name a few captivities. At the time of Jesus the majority of Israelites were on their migration all over Europe and the rest of the world. Even the “Jews” recognized this in John 7:25 where they questioned would He go to the “dispersion and teach the tribes.”

We are warned to beware of those that say they are Jews (meaning of Judah and Tamar) and are not; but are of the synagogue of Satan. They lie and so do most Christian ministers today.

25. Who are YHWH’s “Chosen People?” The Children of Israel only. Jacob had 12 sons which became 13 tribes. Each tribe was to become a nation in due time and eventually create a global Kingdom. This is what is about to happen in the near future, after the so-called battle of Armageddon. As just explained supra, the Israelites are not Jews. The Tribe of Judah and the rest of Israel is not “Jewish.” Israelites are the “Only People” that can be said YHWH has respect unto as they are His personal creation and the “only family” of all the nations on earth that He has known. Amos 3:2. Israelites can “mess it up” when not in obedience unto YHWH and His Calling! The descendants (tribe) of Judah thru Tamar *are* the only true Judahites. All tribes of Israel are Hebrews (from Eber or Heber) and Semites (from Shem), but not all tribes of Israel are from Judah. All Chevrolets are automobiles, but not all automobiles are Chevrolets. All Israel is My Elect; it is not possible to deceive the very elect.

26. Is YHWH the God of any other nations (race)? Not in a national sense, see Amos 3:2. It is recorded in Deuteronomy that YHWH has given the other races and nations other deities to worship. (Satan’s family tree worships him and calls him God.) YHWH is not “adopting” other races into His family. The word “adoption” in the New Covenant means “the planned timing of your birth for purpose.” Are you the result of a union of love, or lust? Makes a difference.... The other races and nations that chose to follow YHWH’s national laws will be blessed accordingly with peace and prosperity. James 1; 1 Pet. 2:9. Satan’s offspring/descendants are doomed according to the Word. Read Obadiah.

27. When YHWH divided up the Earth, what was the criterion? According to the number of the children of Israel, was the Earth divided. Deut 32:8 There are land area’s on this planet for the other races and nations that are not on YHWH’s “To Be Destroyed” list, (Luke 19:27). The surviving nations will be subject to YHWH’s Kingdom Administration.

28. Did YHWH tell Israel to mix with the other races? NO! He specifically told them numerous times from Exodus onward **not to mix with the other races** by marriage, culturally (following their deities), or politically (adopting their legal forms), or to allow

them into your neighborhood! It is violation of the 7th commandment (adulterating the blood) as well. He **separated** “His People Israel” from everyone else for all time and this intent is made plain throughout the WORD all the way to Revelation. One of the reasons He divorced Israel was adultery and miscegenation, which is race-mixing: Deut 23:2 "A bastard shall not enter into the Congregation of the Lord: even to his tenth generation shall he not enter into the Congregation of the Lord." The original Hebrew says a bastard can **never** enter the congregation of YHWH. The Hebrew word mistranslated "bastard" is the word "MAMZER": It means a MIXTURE, A HALF-BREED OR MONGREL. It has nothing to do with whether a child's parents were “legally” married, but it refers to THE FORBIDDEN INTERMIXTURE OF ISRAEL WITH THE OTHER RACES.

During Israel's forty years in the wilderness "the people began to commit harlotry with the daughters of Moab." Num. 25:1. The conspiracy to entice and tempt the men of Israel to mix their seed with an alien race brought the wrath of God upon them, killing 24,000 in a plague. It also gave rise to the “Phineas Priesthood.” A thousand years later the church in Pergamos was strongly rebuked for holding this same doctrine of Balaam "who taught Balak (the king of Moab) to throw a stumbling-block before the sons of Israel . . . to commit fornication (with the alien harlots)." Rev. 2:14

Note: Don't let the translator's errors, New Covenant animal analogies, and some of Paul's political/legal double talk innuendo in his prison and “house arrest” letters mislead you. When in doubt, “What does YHWH say?” He changes not! It is obvious that in order to get his letters past the prison censors, Paul had to write in terms that could be construed in more ways than one, but the intended parties would know exactly what he meant! Yahshua spoke in the same manner often. You have to know “His Law” to “rightly divide” and understand “who is/was who” to understand the meaning of what was/is being said; And this **Still Applies Today!.... Selah.**

29. What is the biggest “Mass Divorce” case on Biblical record? In the Books of Ezra and Nehemiah it is recorded when the remnant of Judah, Benjamin, and some Levites came back from Babylon to re-establish Jerusalem, upon a reading of the Law of Yahweh, they re-discovered the fact they weren't to intermarry with the other races and alien nationalities. They then checked their genealogies and found a large number of them had race-mixed. They then held what was in effect a national day of divorcement where every Israelite man put away (divorced) his alien wives and children, making provisions as necessary and sending them away. Ezra 9, 10.

30. Does YHWH the Creator have a “Breeding” or “Eugenics Program?”

Based on the following Scriptures, one can only say “YES!” In Genesis 6:9 the Hebrew reads “Noah was “forensically perfect” in his generations. The word here implies genetically pure in his breeding. In Deut 7:6 and elsewhere Yahweh tells Israel they are His Chosen People and commands them to only marry within the House of Israel or Hebrew lineage. They were commanded to utterly destroy the nations/races of Cain (which they didn't). YHWH then commanded them not to marry any survivors. He commanded them not to lie with the beast of the field that has hands and feet.

In Jeremiah 2:21 YHWH laments he planted a noble vine, a **wholly right seed** (Israel) in a beautiful garden and it turned itself into degenerate plant of a strange vine. In Malachi

2:11 YHWH complains that Judah has married the daughter of a strange el (referring to Judah taking Bathshua the Canaanitess for a wife and later the tribe itself commingling, even Solomon and his strange (alien) wives/concubines). YHWH states He will “cut off” His people that do this. In verse 15 He states He desires a “holy seed” implying Racial Purity. Why do you think the Bible is full of genealogies of who begat who? Because it is the Book of the White Christian People (Race) who are for the most part the “Lost Sheep of the House of Israel!” Wake UP! “My People are destroyed for lack of KNOWLEDGE!” Hosea 4:6. I am sent only unto the lost sheep of the house of Israel! Mt. 15:24

31. Who/Where are the Children of Israel today?

They are the white Caucasian race in general, primarily the Christian nations of Anglo-Saxon Germanic people of Western Europe who have settled all over the world. It is being assumed for the moment that any surviving Genesis 1 Adamites could genetically mix with the Genesis 2 Adamites. Whether this would “up breed” Genesis One Adam is unknown at this time. (By looking at the degeneration of the white race, one would be inclined to think it was pulling the Genesis 2 Adam man down.) For Israel to be “hid” in the world for a period of time and “sifted” through nations, it seems problematic there may have been another racial stream for them to be “sifted through” but not totally “mix.” Eber (Hebrew) fathered several streams of white clans. This does not include those people who call themselves “Jew or Jews.” You will find Jews of every color and race. They claim to be both a religion and a race, which ever is convenient, but rarely both at the same time.

32. What is “The Law” or “Law of Moses”? The rules of conduct YHWH gave Adam for his descendents and later gave Moses for the Children of Israel for their sojourn on here on earth and elsewhere. The law was divided into Commandments, Statutes, Judgments, and Ordinances. Approx 73% of the law was “Operational Procedure” for Israel as a Nation and 27% of it pertained to personal conduct with your fellow man. (Who is your “fellow man?”) The Law is like a garden fence. Make you view / perspective from within the law, not from outside the law. It is there to protect you. Be inside the “fence.” Not outside looking in. If you are “walking in the law and Spirit” you are “by God.” The words “By God” is where we get the word “bigot.” It is from the French/Germanic words “bye Gott.”

33. Who is the WORD made flesh? In English, Jesus the Christ, or in the Hebrew Name context, Yahshua the Messiah. (What color is “flesh?”) Messiah means “Anointed of Yahweh” and is more correct than “Christ.”

34. Who did Jesus say He was? I AM HE. When you have seen Me, you have seen the Father. He is the representation of the Almighty Creator and the Heavenly Father of Adam kind. Whereas the fallen elohim physically mated with the daughters of Adam producing degenerates, YHWH supernaturally planted His Seed in a virgin, Mary, and produced a “New Creation.” Jesus said He is our “Kinsman Redeemer.” Isa 43; Jn 8.

[We are "one"/ in unity as He is with the Father. No "discord," but rather “accord and

harmony".]

35. What are the differences between YHWH, Yahshua, The Word, the Law, the Truth, The Way, The Life? None, they are synonymous. [Yah means I AM, eternal and unchanging (lexicons). Shua means "save" (will save, has saved) "savior"; Yahshua means Yah's Savior. Messiah came in his father's name: Yah (Psalm 68:4. No "J" in the early English language).]

36. What laws are done away with or fulfilled by Yahshua's (Jesus) death on the cross? The Ordinances pertaining to blood sacrifices only. [He came not to abolish the law, only to fulfill what was slated to be fulfilled at "that time."]

37. What laws are still in effect? Commandments, Statutes, Judgments. Approx 73% of the Laws are "rules of action" for the nation and 27% are for your personal conduct with your fellow man and YHWH. Christians/Israelites are to know the law and walk in the law. If you are with "in" the "law" you are not under the law or "at law."

38. How do we know what "sin" is? Sin is violation of any of the Laws of YHWH. If the law has been done away with, then there can be no transgression thereof (sin?), hence there can be no sinners on earth today: no rapist, nor murderers, no kidnappers, no thieves, no usurers, etc., etc.

39. What is "Grace"? An English word that is translated from the Greek words which mean "unmerited favor." We Israelites are all under "unmerited favor!" The word "grace" is not a license "to do as you want" and not be accountable. It does not mean all the Law is done away with, only the Ordinances pertaining to blood sacrifices were put away.

40. Who are the "Sons of Elohim?" As pertaining to the Adamic line [through Seth], any pure descendant of the Shemite, Eber, Israelite bloodline, most whom are found today in the House of Israel, that is the White Anglo-Saxon and Germanic tribes. [Birthright, pure and simple.] In English this would translate to "Sons of God." However, contrary to popular opinion, there is no Scriptural basis for someone becoming a "son of God" by accepting Jesus Christ as their personal savior, nor is there any scriptural support for a "personal savior" of just anybody or everybody. One of His purposes is to "destroy the works of the devil," [opponents of His Law] and that apparently includes the devil [opponent of His Law] and his offspring. See Luke 19:27 [It can be stated of any crossbred or hybrid being (through no fault of their own), whether male or female, *irregardless of the father's race* when that race is different from the mother's that: 'your father was/is a "devil" (opposing Yah's law) committing adultery (if an Israelite), and thus you are a product of opponent to the Master's plan of not adulterating any of His species. So we can see there are devils and there are "devils."]

41. Who are the "Saints?" A term occasionally used for the children of Israel only.

- 42. Who are the “Sheep” people?** The Children of Israel only! Period.
- 43. Who did Yahweh marry?** The Nation of Israel at Mount Sinai when they agreed to be His People and live by His Laws.
- 44. Who did Yahweh divorce?** A ten tribe portion of The Racial Nation Israel. Their Crime/Sin: Adultery. Prior to the divorce He split the tribe of Judah off and called this tribe His other wife. However, He has not divorced the tribe of Judah [with whom many clans of Benjamin and Levi sojourned with] and His relationship with the Elect and faithful of the Scepter tribe is unknown to the author at the present time. [Messiah came from the lineage of Judah; he came from a lineage that was never "divorced" although said lineage did go into captivity like her whoring sister. But legally (lawfully!) speaking his right (Melchisedec: the rightful King, the Righteous King, the King of the righteous {law abiding ones}) to the throne was/is still intact. We are still talking **birthright**. What if there was/is a condition of some folks (non Talmudist/Jews for Jesus/Messianic Jew) who don't think they are Israelites, but they are? Perhaps some of them even think (having been brain washed?) they are "jews", when in reality they are Israelites? How many folks in Ireland (The Scarlet Thread) and Scotland this very day (Catholics?) do not know they are Israel? He did not divorce the Judah "kingdom", which included many of the Benjamites and Levites. Melchisedec, pronounced "melka-saidek" is another appellation (character/quality of Messiah. Note the phonetic connection to Zadok. Melchishua (pronounced "melka-shua"), is the King who rescues, or the rescuing King or the king rescuer, or the rescuer of the kings. Know ye not that ye are a nation of kings? Note the phonetic connection to Yahshua; a kinsman (birthright) redeemer.]
- 45. Why did YHWH divorce Israel?** Failure to perform in keeping His Laws, the agreement (Covenant) at Sinai, mixing (national racial integration) and marriage with other races, political entanglements with other racial political groups....[The only unpardonable sin is blasphemy of the holy (separating) spirit. i.e. rejection of the admonition (command) to keep oneself separate and pure.
- 46. How many wives did/does YHWH have?** Two that we know of, Israel and Judah.
- 47. Where are YHWH’s wives now?** The wise are getting ready for the marriage supper, although the parable of the 10 virgins indicates half of “Christian” Israelites are fools and won’t make it through YHWH’s judgment Day and establishing/manifesting His Kingdom.
- 48. Who or what is the “Bride of Christ?”** Those of the “white race” who understand they are the Anglo-Saxon (Messengers of the sons of Isaac) nations of racial Israel. They are now organizing according to YHWH’s “Due Order.”
- 49. Who is the “Lambs” wife?** The nation [of previously divorced] Israel. [The "lost" (put off in banishment) sheep of the house of (ten tribed) Israel.]
- 50. Who is the woman of Revelation 12:4?** Symbolically the remnant of the tribes

of Israel. The remnant; the very elect; those fleeing (assembling) into the wilderness areas to avoid the law of the sea (admiralty jurisdiction/the flood), the palmer worm and the locusts who are alien nations flooding into America (and all other Israel nations) eating out their substance. The organized Israelites making ready to be delivered and establishing YHWH's Kingdom on earth (not raptured).

51. Who is the "Elect Lady" in 2 John 1:1? The nation Israel. [Those that survived the Jewish and Roman onslaught after the crucifixion and their future descendants. This could apply to those of us who survive the coming Armageddon in America.]

52. Who is the "Man child" of Revelation 12:4? Yahshua Emanuel

53. Who is the "Congregation of Israel" in the OC? All the Children of Israel, men, women and children.

54. Who is the "Congregation" in the NC? Same as in the Old Covenant, the families of Israelites.

55. What people cannot enter the Congregation of Israel? No non-white non-adamic person, that is No one of any "mixed racial blood" (mamzer, as in mixing Occidental with Oriental or Negroid blood). There is no such thing as a "spiritual Israel" composed of all races. This is a popular religious deception constructed to say that anyone "who believes in Jesus" becomes an "Israelite" in the eyes of God. This piece of twisted Scripture application is used to try and justify racially mixed "churches" and thereby paving the way to justify race mixing in any/all circumstances. The result of racial mixing is Babylon, which is total confusion (confusion of face & adultery of blood) and the United States of America today is a perfect example of what happens when race mixing is promoted as a national political policy. Total Confusion in every aspect of our social and national life! The Law and prophecies are quite clear, Israel is not to mix with the other races. Death of the Race is the result. State "Marriage Licenses" and Federal integration laws do not make legal what YHWH says is unlawful! To put it bluntly and in the common vernacular, "YHWH is furious at all the inter-racial mixing going on among His People and He Himself is about to "Clean the Camp...." Num. 25. Coming soon to a city near you, the death of millions by war, famine, noisome beast, and pestilence.

56. Who/what is the "Assembly" in the Old Covenant? The Elected officers and Elders of the Numbered. [The "feast days" or "chags" and "moweds" were/are the called out rehearsal assemblies and the appointed times. Rehearsal is a two sided coin: to "rehear" something again on one side, and to "practice" or put into practice something on the other side (like elect judges and officers and small unit militia drills). Those that kept the appointed times were known as Jedi (Strong's # 3260. Ydleye: The "Appointed." Jedi, an Israelite). Sorry, but George Lucas (Joseph Campbell) did not invent that word. These attendees, men (commanded attendance), women and children were known as the body politic "republicae" of Israelites (Hebrew word: Gowy = "the guys").

57. Who/what is the "Assembly" in the New Covenant? Should be the same as in the

Old Covenant, the Leaders and Elders of the Tribes/People of Israel.

58. What's the difference between "Assembly" and "Congregation?" For the purpose of this article, the "Assembly" is the elected and appointed civil and military leaders of the "Numbered" Body Politic/Army of YHWH. The term "Congregation" is the whole Family of the House of Israel, including others of the Hebrew branches that can be grafted in.

59. Who are the "Elect?" 1. Those that YHWH "Calls" and reveals Himself to for their time and purpose. 2. The children of Israel. [All Israel is my elect.]

60. To who are the "Sons of God" to be revealed? In due time, everyone on earth. [All of creation groaneth anticipating the manifestation of the Sons of Yahweh organized and manifested as the "Corporate" Body of Yahshua/Jesus.]

61. Why are the Son's of God revealed? To manifest the Glory of YHWH and establish His Kingdom on Earth which entails separating the Sheep and the goats, and destroying the satanic seedline.

62. Who was Yahshua (Jesus) sent to? The lost sheep of the house of Israel ONLY at His first advent, but on His second advent, the whole earth! Rev 19:11

63. Who were the Apostles sent to? The lost sheep of the house of Israel only. The Latin word (Gentile) should not have been used in the Bible. Its original meaning is "not a Roman citizen." Paul was an apostle to the "Ethnos" from where we get the word "ethnic" with all its racial connotations. Insertion of the Latin word "Gentile" into the English Bibles has helped keep Israel blind to their Racial/National Identity until the Appointed Time when they repent and "rightly divide the Word" thus regaining their understanding of who they racially are and what they are to prepare for. This is now, if you understand what you are reading.

64. Who did Yahshua come to "save?" The children of Israel only as their "Saviour" and "kinsmen redeemer." The lost sheep of the house of Israel; the Re-New(ed) Covenant is made with none other than the house of Judah and the house of Israel. See Point 66. In the 2nd Esdras (Catholic bible), it makes clear that the word "world" generally refers to political arrangements, the "Due Order." Yahshua came to re-establish His Kingdom world. (It appears from O/NC that He has a plan for all who will serve Him according to the "Due Order" of His administration. This will manifest itself in the future.

65. When did the white race begin to evangelize the world with the "Gospel of Salvation?" The 19th century. The American evangelist John Mott in 1888 developed the "evangelize the world in one generation" idea. Prior to that, from the 1400's up until the 1850's the Catholic Church conquered and annihilated (in the name of God) many of the savage and cannibalistic races and cultures of the America's. The Anglo-Protestant American's annihilated the North American Indians in a 250 year war as a matter of conquest and survival necessity and the injunctions of YHWH in the Books of Moses

applied to the “New World” or “New Canaan Land” as some called it.

66. Who did Yahshua come to “Redeem?” His kinsmen according to the flesh. The Nation of Israel. You can only “redeem” something you previously owned. See Laws of Redemption (Kinsmen Redeemer) in the OC. YHWH created Israel, thus ownership is implied. <http://www.kinsmanredeemer.com/meaning.htm>

67. Redeem from what? Israel’s divorce from YHWH and all her enemies that He had sold her too for disobedience. Yah-Yahshua is free claim and to remarry Israel now because He as Husband died for her and paid the price in/with His Blood.

68. Who is Yahshua going to marry? His Bride, the redeemed White Racial Nation of Israelites organized nationally/politically into His Kingdom on Earth. He came as “Kinsman-Redeemer” and bought (redeemed) her back with His life and blood.

69. What Clothes do we wear to the Wedding? Think about it and do your own research for this one. How do you want to “Appear” and “Stand” before Him?

70. What did / does Jesus “save” us from? 1. Our/His enemies, 2. the curses of the law brought on initially by the sin of Adam and Eve (sickness, disease, etc. in the personal sense; national calamity in the national sense), 3. Death. [In law and Under the law the divorced wife cannot remarry as long as her husband lives. Now she is free to re-marry and carry on life.]

71. Are you “Born Again” or “Born from Above?” The Greek text for 'born again' also means 'born from above'. 'Born again' implies a *time*, while 'born from above' implies a *place*. In what dimension does spiritual regeneration happen, in a time or at a place? This is another perfect example of how Jesus spoke in parables and double entendres. How you understand this depends on who you are. Note, Jesus did not preach this statement to the multitudes, but spoke it in private at night to an educated Israelite. The “Born Again” movement is a recent phenomenon of American evangelism.

72. Will the Methodist, Baptist, Episcopal, Catholic and other denominational churches be in the Kingdom? Doubtful. YHWH’s Kingdom is a Nation of Living People walking in the Way of the Truth and according to the “Due Order.” Title 26 503(c) entities are not that.

73. What Scriptures did Jesus say to search? “The Scriptures” or “The Script” (which part do YOU want to live out), of which what we call the Old Testament is only a part of, were already hundreds and thousands of years old in Jesus’ day. There was no “New Testament” at the time Yahshua spoke this. There are probably over a hundred books that could be called the Scriptures, which contain the Covenants, laws, and prophecies YHWH made with Adam and an “Elect” line of his descendants. Many are hidden in private libraries such as the Vatican or personal libraries and not allowed public viewing until it is time.

74. What did Yahshua come to send on earth? A fire to purify and sword to divide for starters.

75. How many political parties are they in the Kingdom? One, two at the most. [We are supposed to be a nation of kings and priests; real men knowing His law. We Israelites are the True “Law Enforcement” officers.]

76. What would be the political party’s names? The Wedding Party and the Bridegroom Party. They both have the same purpose. (kinda like the Republicans and Democrats, except theirs is to divide and conquer you and YHWH’s Policy/Law is to give you Union, Kingdom, Family, Peace, and Prosperity)

77. What is the word “church” in the Greek? Kyridakon: The English word "church" which is used in our English Bible is taken from the late Greek word "kyridakon" not "Ekklesia." The Greek word "kyridakon" is not found in the New Testament and only came into being in the 16th Century long after New Testament times. Thus the English word "church" cannot be translated back into Greek because there is no word in the New Testament Greek that is the equivalent of the understanding of the English word.

78. What does the Greek word “Ekklesia” mean? In the short, the “Called Out Ones.” The **Ekklesia** are those people that Jesus has **called-out** to Himself. (My People are Israel.) When Jesus began His public ministry He went through Galilee and Judea and **called-out** a group of men (Israelites except for one) that became His disciples. Jesus did not begin His ministry within the Judean denominations or the Edomite priesthood in power at that time. Jesus began most of His work outside the temple format and the religious practices of His day by building up (organizing) men upon "a rock" of revelation: "Thou are the Messiah (Anointed of Yah), the son of the living Elohim." Upon this rock I will build **My Ekklesia (national political/military assembly of Israel), not “My church”** (religious organization, denomination, building, etc.). Jesus set out to heal and build His People up and into Himself, upon the rock of revelation that He is the Messiah and King of Israel, that is Yahweh El Elyon’s representation in the flesh! He was/is (t)here, keeping His Word to Adam, Abraham, Isaac, Jacob, and all Israel! However, the complete national political re-organization wasn’t to happen until the 7 times punishment/banishment at law was expired. In Jesus day the 10 Tribes (including most of Judah and Benjamin) were still on their migration to the “Appointed Places” on the planet. Thus, 2000 years later we end up with a “religion” called “Christianity” that millions of migrating Israelites aligned with. This kept the kernel of Yahweh’s Laws intact and influencing all forms of government and politics from Day One of Yahshua’s Call and finally resulting in the founding of America with “No King but Jesus!” He is still Calling Our Nation!

Every time you hear or read the word **church**, a veil rests over your mind. No matter how much you tell yourself that the "church is not the building, it’s the people," your mind still tricks you into thinking that the building is important-along with all the services that go on in the building.

[Additional Notes: Some Israelites believe that Messiah was the firstborn son of Yah, but not Yahweh Himself. The Greeks had a practice of making gods out of men, which got passed on to the Romans. I believe that it was such a bias that makes for some of the Greek translational differences as to the "deity" of Messiah. The Catholic Church teaches three G/gods in one. The Old Testament said his "name" would be Emanuel. In the Hebrew the word for "name" is "shem," and means: character, honor, position or authority. Emanuel can therefore be translated: (a) mighty one in the flesh... Messiah was in fact named Yahshua (some say Joshua, but then there was no "J"). Yahshua was indeed a mighty one in the flesh, although he did not serve the flesh. In the Gospel of the Kaledy (Kolbrin Vol. II) Messiah only claimed to be a son of the Most High. Notwithstanding He said, "I and My Father are One, and if you have seen Me you have seen The Father." The Messiah never claimed Himself to be Yahweh the Father. Over and over Messiah makes reference to His Father or "The Father" in Heaven. On the cross He spoke to Yah...He had asked that His will be done, etc.. All judgment for us however has been given to Yahshua; Messiah will be our Judge before the Mighty Judge and Creator. This is a deep subject.]

79. Who are the "Called out ones in the OC/NC?" Sons/children of Israel. Yahshua is not calling everyone, in fact He stated He spoke in parables in public because they were persons He did not want understanding, repenting, and basically trying to escape judgment!

80. "Called out" of and for what? We are called out of this Babylon world order presently run by the Canaanites and into YHWH's service to establish His Kingdom Administration.

81. What was the first step YHWH took in organizing the nation Israel? After He got their attention, He had certain men "Numbered."

82. Who got "numbered" in Israel and what for? All the men, 20 years old and upward, able to go forth to war.

83. Who didn't get "numbered?" Everyone else.

84. How were the "numbered" men organized? 10, 50's, 100's, 1000's, etc.

85. How many times a year were the "numbered" in Israel to appear before YHWH? Three, the Feast of Unleavened bread, Pentecost (First Fruits), and Tabernacles (Ingathering). [There is a 4th gathering that chronologically fits perfectly between Tabernacles and Passover. The Feast of Dedication. The Messiah kept this Feast of Dedication. See John 10:22.] More on this shortly.

86. What were they to do at this mustering? Appear before YHWH equipped for war, read the law, and pay the soldiers ransom. [Elect judges for common (His) law courts and (military and civil: fair weights and measures?) officers: 10, 50's, 100's, 1000's?]

87. How did Yahshua organize the 5000 men at the 5 loaves and 2 fish teaching? 50's and 100's. He left it up to them to form their 10's (teams).

<http://en.wikipedia.org/wiki/Forming-storming-norming-performing>
http://en.wikipedia.org/wiki/Virtual_team

88. What Feast or Holy Days are we commanded not to keep? Ones that we dream up. (Christmas & Easter, etc.) [He (Yahweh) hates *our* feast days; but the His men are commanded to keep His Feast days.]

89. How does YHWH count a[n] Israelite man and a woman? Depends...., In the Scripture we see He only “counts” the “men of war,” but a single woman not under her father’s house though never counted, has certain legal rights and standing.

90. How does YHWH count a Israelite man and his wife? As one. Has no bearing whether the man is “numbered.” [Yahweh and Yahshua were as "one" or “in accord.” The man and his wife were of one flesh, i.e. the same racial stock flesh.] The women and children are never counted in a national census. The bridegroom and the bride become as one, even though each has separate functions and responsibilities.

91. What is a “Church Building?” In today’s vernacular, a building where people meet to worship and receive religious indoctrination.

92. What is the Temple of YHWH today? The believing and obeying Israelites organized nationally. [The hearers and doers. “If you love me, obey my commandments...”]

93. If you are part of the Temple, what is the standing of your husband or wife and family? Same as One.

94. Who is the Bride of Christ? The whole race of Israel organized militarily, jurally, ecclesiastically, and politically, as a nation. [The remnant; the overcomers; the very elect who obey the commandments of Yah-Yahshua and keep the covenants.]

95. What is the “Body of Christ?” All the “Numbered” men of Israel organized nationally by their Armies for war, world government, and other purposes. Yahshua is the Head of His “Body” and Commander of the Host!

96. Who/What are the “Numbered Men of Israel?” They are the “National Assembly of YAHWEH on Earth,” “His military, political, social, cultural presence and body in the flesh” so to speak. The military and political “Body of Christ” Called to carry out His Mission on earth. The Called, Appointed, and Elected Leaders form the government of the Racial Nation of Israel. The Commandment, Laws, and Statutes implemented establish His Due Order.

97. Who is Yahweh of Host? Host means “Armies” and Yahweh of Host means Yahweh in His capacity as the Supreme Commander of the Armies of Heaven and Earth. [The

word "hosts" is *"that mass of persons and things organized for war and waiting upon the appointed time".*]

98. What is "Love?" Love is a pattern of action directed by the will." "If you love Me, Keep My Commandments!" Jn. 14:15; Rev 22:14

99. What is "Faith?" Faith is an act of the will that produces a pattern of action leading to objective accomplishment." 1 John 3, 4: For this is the love of YHWH, that we keep His Commandments: and His Commandments are not grievous. 4. for whatsoever is born of YHWH overcometh the world: and this is the victory that overcomes the world (Satan's system Babylon), even or Faith (which is walking in the "due Order" of the Word and thereby establishing Yahweh's Kings Dominion on Earth as it is in Heaven).

100. What will happen when the Sons of YHWH-Israel "Wake Up" to whom and what they are and their corporate Yahweh Ordered responsibility? Organization of His Kingdom and Manifestation of the Son(s) of YHWH on earth starting here in "The United States of America." (You think all hell might break loose in opposition to this...?) [This concept scares the bejeebers out of the anti-Christ establishment.] "The United States of America" in its "root word" meanings is this: "The[os] is the Greek root for God –YHWH and the root of the word "the." Thus you have "Yahweh's United Tribes of Israel in the Greater Estates of the Kingdom of Heaven on Earth." Hello!
